SDI is a U. S. boutique investment firm focusing on a niche investment strategy: under performing debt backed by commercial real estate assets throughout the United States. Founded in 2009, our current team has been together for 7+years, covering distressed CRE assets with strong performance during both upcycles and downcycles. Each senior management team member has 10+ years of experience with vast knowledge across an array of disciplines including property management, finance, capital markets, acquisitions, law, development, sales, and leasing. SDI has implemented and refined an origination and underwriting process to successfully acquire, manage, and reposition distressed loans and REO leading to opportunistic returns. Our Asset Management team is another cornerstone of our value proposition - the team is comprised of seasoned professionals that bring a common sense and hands on business approach. SDI focuses on what we call the small balance loan market – we concentrate on opportunities in the US\$3-25 Mn range with our sweet spot between US\$5-15 Mn. Our holistic approach seeks to generate alpha by focusing on the highest portion of the capital stack (senior debt) while generating equity-like returns with a lower risk profile compared to other alternative investments.
